

## Product Information Sheet

### Washroom Cleaner #3

#### Multipurpose Washroom Cleaner

##### Description

Washroom #3 can be used in all wet areas on floors, walls, benches, bathrooms, toilets, glass and stainless steel areas. This environmentally preferred product is derived from plant based renewable resources with mild acids to remove water scale.

##### Features and Benefits

- Part of the Wirra Green range of cleaning products.
- Washroom #3 is designed to remove water scale in all wet areas.
- Washroom #3 suggested areas include; Bathrooms, Bars, Toilets/Ablutions, Schools.
- Accommodation Areas, Child Care Centres, Hotels and Hospitals.

##### Use Directions

##### For general cleaning and mopping, use 50ml pre litre of water

##### **Urinal Cleaning**

Use undiluted. Squirt into toilet bowl. Agitate sides and under rim with stiff brush. Allow to act for minimum of 5 minutes, then flush. **DO NOT SPRAY.**

For heavy soil areas use neat until the scale has been removed. Squirt directly onto the surface using some agitation to help loosen the scale. Allow some contact time before rinsing off with water. Do not let the product dry on the surface.

##### Safety Information

Refer to our safety data sheet (SDS) for more information or consult your Wirrpanda Supplies representative for further assistance.

**Packages – 2 x 5L**
