

WE ARE EXCITED TO ANNOUNCE THAT DAVID WIRRPANDA AND JOE CAMILLERI HAVE COME TOGETHER FOR A JOINT VENTURE WITH WIRRPANDA SUPPLIES

Dear Customers,

We are proud to advise you of a joint business venture between David Wirrpanda and Joe Camilleri to further enhance Wirrpanda Supplies' service to you.

Wirrpanda is growing, our product offering, our service, our distribution capability will all expand to better meet your needs.

You will continue to enjoy our wide range of quality cleaning products, with many more on the way. In particular focus are our environmentally sustainable products that meet our Wirra Green standard.

Wirrpanda Supplies' mission is to invest in a sustainable future for Indigenous communities and we will be continuing our goal to improve the quality of life for Aboriginal and Torres Strait Islander people and build sustainable communities.

As majority owner and Managing Director, David Wirrpanda has three critical business pillars to help achieve this mission. These include supporting Waalitj foundation, supporting the community and formulating a range of environmentally preferable cleaning chemicals, Wirra Green.

We are excited to be on this phase of growth and eagerly look forward to continuing this journey with you, our loyal customers.

We would also like to introduce Michelle Arnott, our Head of Indigenous Services. Michelle is looking forward to working with you, understanding your business and how we can better serve you.

Michelle will be in touch with you in the coming days if she hasn't already done so.

In the meantime, please feel free to contact Michelle on (08) 9240 7056 or email enquiries@wirrpandasupplies.com.au if you have any questions.
